

AMOC 2015

Anharmonicity in medium-sized molecules and clusters CSIC, Madrid (Spain), 26-30 April, 2015

Dear invited speakers and participants,

The date of the celebration of the Conference AMOC2015 “*Anharmonicity in medium-sized molecules and clusters*” approaches. For this reason, we send you some practical information concerning the conference program, the social program, the awards and the conference sites. All this information will be also displayed on our website.

<http://tct1.iem.csic.es/AMOC2015.htm>

Conference venue

The Conference will start the 26th April in the *Residencia de Estudiantes* of CSIC. The registration desk will be open from 18:00h. The Welcome Reception will take place from 20:00h at the Residencia de Estudiantes of CSIC (Pinar, 21-23, Madrid 28006)

http://www.residencia.csic.es/pres/localiza_maps.html

AMOC 2015 (invited and contributed talks) will be held in the main building of the *Consejo Superior de Investigaciones Científicas* (CSIC) (Serrano 117 Madrid 28006)

<http://www.csic.es>

The **Poster Session** and the **Coffee breaks** will take place in the Cloister of the building placed in Serrano 123 Madrid 28006. All the above 3 buildings (Serrano 117, Residencia de Estudiantes, and Serrano 123) are placed in the campus of CSIC. However, the **lunch** will take place outside the campus, in Serrano 150, Madrid 28006 at 5-10 min. walking form the Conference site.

Useful information for arrival and displacement is available in:

<http://tct1.iem.csic.es/PLANOS.htm>

Participants

42 confirmed speakers and more than 100 contributors coming from more than 20 countries are expected to participate in AMOC 2015. The list of the registered participants is available in the Conference web site.

<http://tct1.iem.csic.es/participantes.htm>

Please confirm and complete your registration !!!

Registration desk

During and before the Welcome Reception (April 26th) the registration desk will be located at the main entrance of the Residencia de Estudiantes.

The April 27th, the registration will be open half an hour before the opening session.

Participants arriving April 28th or later should contact the three PhD. Students in charge of the registration desk (Mrs. Rahma Bousseffi, Mrs. Samira Dalbouha and Mr. Aymen Boullagui)

Program

Invited and contributed talks as well as the posters are listed in the web pages:

<http://tct1.iem.csic.es/AMOC-TALKS.htm>
<http://tct1.iem.csic.es/AMOC-POSTERS.htm>

A complete timetable will be available from Monday April 13th.

Posters and talks

Poster panels type 160 x 100 cm (height =160 cm; width =100 cm) will be available.

All the **talks** (invited and contributed) are 25mn long + 5mn for discussion.

Computers will be available for all talks. Talks have to be uploaded (ppt, pptx, pdf formats only) prior to the start of each session via USB. No slide or overhead projector will be available.

If talks are ready before the Conference, speakers can send them by E_mail to: ml.senent@csic.es

The journal of Physical Chemistry: special issue and awards

The Journal of Physical Chemistry will publish a "Virtual Issue" under the title of *Spectroscopy and Dynamics of Medium-Sized Molecules and Clusters: Theory, Experiment and Applications*. Prof. Anne Mc Coy will be the editor handling the review process for all submissions.

María Luisa Senent (CSIC), Majdi Hochlaf (Université Paris-Est) and M. Carvajal (Universidad de Huelva) will be the guest editors.

The American Chemical Society and the Journal of Physical Chemistry will award for 3 outstanding poster presentations. Students who are interested should contact the registration desk.

Meals

Lunch will be available from 12:30 h in the restaurant of the building site in Serrano 150, Madrid 28006, outside the campus but at 5 min. walking. Lunches are included in the registration fees.

Social Banquet

The Social banquet will start at 20:00h April 28th in the Hotel Miguel Angel:

<http://www.hotelmiguelangel.com/>

This hotel is located close to the CSIC (10 min. walking) in Miguel Angel 29-31, 28010 MADRID. For all the participants, the Social banquet is included in the registration fees. For accompanying persons, please contact the registration desk.

Tourist activities

We have selected the month of April for AMOC organization because the weather is expected to be very nice. Madrid in spring is a very attractive city. For tourism information, we recommend to visit the page:

<http://www.esmadrid.com/>.

We recommend to visit the city center, the Puerta del Sol, the Madrid of Austrias and the Royal Palace. Also, the three big galleries, the Museo del Prado, the Museo Reina Sofia and the Thyssen Gallery are very relevant places.

After sunset Madrid is a special attractive city during spring. For this reason, the organizers have not included dinners in the Conference (with the exception of the banquet). We recommend to have “tapas” in the city center.

Please, enjoy your visit. The Conference is expected to be very dense. We look forward to seeing you all soon in Madrid.

On behalf of the scientific and local organizing committees,

Mara Luisa Senent
